

Please amend the Specification as follows:

At page 1 before line 5, please insert "Field of The Invention".

At page 1, at line 11, please insert "Background of The Invention".

At page 3, at line 7, please insert "Summary of The Invention".

At page 3, at line 15, please insert "Detailed Description of The Invention".

At page 8, at line 11, please insert "Examples".

Please insert as new page 19, the following abstract.

"Abstract

The invention relates to a sulphur donor curing agent comprising a combination of between 10 and 90 wt % of a mixture of polysulphides of poly(alkyl phenol) and between 90 and 10 wt. % a compound of the formula  $R'NHCONHR''$  where  $R'$  and  $R''$  are the same or different and are hydrogen or an alkyl or aryl radical having 1 to 20 carbon atoms and methods of curing an EPDM-type rubber elastomer with the composition which presents no risk of the formation of nitrosamines."
